EXPERIENCE

Total Experience - 2+ Years

SPARKYNODE ANALYTICS | FRONTEND DEVELOPER
October 2020 - Present | Banglore, India

- Managing UI using HTML, CSS, JavaScript, Bootstrap and React.Js.
- Implemented modern front-end frameworks (e.g., React) to create interactive and dynamic user interfaces.
- Creating reusable components to optimize code and speed of web app.
- Mapping clients' requirements and providing customized solutions, identifying improvement areas, and implementing measures to maximize customer satisfaction levels..
- Handling project-related activities and being involved in planning and design, coding, and deployment.
- Integrated third-party APIs and libraries to enhance website functionality and user experience.
- Collaborated with the UX/UI team to ensure seamless user experiences and adherence to design guidelines.
- Regress unit testing before sending for Q/A.

PROJECTS
